MRS. E. C. SMITH

MRS. V. E. TURNER

MISS JANE E. WARD

Honorary Member

MRS. MARY IREDELL

# ITINERARY

SEPTEMBER 13—MRS. LEWIS

New York, Ponta Delgado, Gibraltar, Naples.

“ The morning watch was come: the vessel lay  
Her course, and gently made her liquid way,  
The cloven billow flashed from off her prow  
In furrows formed by that majestic plough--  
The waters with their world were all before.”—*Byron*.

MRS. ANDREWS AND MRS. JOHNSON

SEPTEMBER 27—MRS. McBEE

Pompeii, Amalfi, Sorrento, Capri.

“ I stood within the city disinterred  
And heard the autumnal leaves like light footfalls  
Of spirits passing through the streets: and heard  
The mountains' slumberous voice at intervals  
Thrill through those roofless halls.”—*Shelley*.

MISS BAILEY AND MRS. JACKSON

OCTOBER 11—MISS WARD

Rome, Its Architecture and Ruins.

“ Looking on thee,  
Full flashes on the soul the light of ages,  
Thou wert the throne and grave of empires; still  
The fount at which the panting mind assuages  
Her thirst of knowledge, quaffing there her fill  
Flows from the eternal source of Rome's Imperial hill.”—*Byron*.

MRS. CHESHIRE AND MRS. ROOT

OCTOBER 25—MRS. E. C. SMITH

Art of Rome.

“ But onward to the sphere of beauty—go  
Onward, O child of art, and lo,  
\* \* \* The pangs, the cares, the weary toil it cost  
Leave not a trace when once the work is done,  
The artist's human frailty merged and lost  
In art's great victory won.”—*Schiller*.

MRS. W. J. ANDREWS AND MRS. TURNER

NOVEMBER 8—MRS. ROOT

Florence and Pisa.

“ But Arno wins us to the fair white walls  
Where the Etrurian Athens claims and keeps  
A softer feeling for her fairy halls.  
There be more things to greet the heart and eyes  
In Arno's dome of art's most princely shrine,  
Where sculpture with her rainbow sister meets.”—*Byron*.

MRS. IREDELL AND MISS WARD

NOVEMBER 22—MRS. TURNER

Venice.

“ I stood in Venice on the Bridge of Sighs—  
A palace and a prison on each hand.  
I saw from out the wave her structures rise,  
As from the stroke of an enchanter's wand,  
A thousand years their cloudy wings expand  
Around me, and a dying glory smiles  
O'er the far times when many a subject land  
Looked to the Winged Lions' marble piles  
Where Venice sat in state, throned on her hundred isles.”—*Byron*.

MRS. F. H. BUSBEE AND MISS DOWD

DECEMBER 6—MRS. A. B. ANDREWS

The Tyrol, Munich, Insbruck.

“ The palaces of nature whose vast walls  
Have pinnacled in clouds their snowy scalps,  
All that expands the spirit, yet appals,  
Gather round these summits, as to show  
How earth may pierce to heaven, yet leave vain man below.”  
—*Byron*.

MRS. C. M. BUSBEE AND MISS WARD

DECEMBER 20—MRS. PITTENGER

Dresden and Berlin.

“ By no kind Augustus reared  
To no Medici endeared, German Art arose,  
Praise and pride be all the greater  
That man's genius did create her  
From man's worth alone.”—*Schiller*.

MRS. KNOX AND MRS. E. C. SMITH

JANUARY 3—MRS. W. J. ANDREWS

The Rhine, Cologne, Frankfort, Leipzic.

“ Maternal nature ! for who teems like thee  
Thus on the banks of thy majestic Rhine  
A blending of all beauties \* \* \*  
And chiefless castles, breathing stern farewells  
From grey but leafy walls where ruin queenly dwells.”—*Byron*.

MRS. PITTENGER AND MRS. ROOT

JANUARY 17—MISS BAILEY

Brussels and Antwerp, with their Art.

“ There was a sound of revelry by night,  
And Belgium’s capital had gathered there  
Her beauty and her chivalry.”—*Byron*.

MRS. HINSDALE AND MRS. LEWIS

JANUARY 31—MRS. CAMERON

Paris, Its Architecture and Monuments.

“ The land of arms and arts,  
Of glory, grace, romance.”—*Oliver Wendell Holmes*.

MRS. IREDELL AND MRS. W. J. ANDREWS

FEBRUARY 14—MRS. F. H. BUSBEE

Art and Life of Paris.

“ What the Greek wrought, the vaunting Frank may gain,  
And waft the pomp of Hellas to the Seine.”—*Schiller*.

MRS. C. M. BUSBEE AND MRS. JACKSON

FEBRUARY 28—MISS SHIPP

Versailles, Fontainebleau and St. Denis.

“ A palace lifting to the eternal heaven its marbled walls  
From out of glossy bower of coolest foliage musical with birds.”  
—*Butwer*.

MRS. TURNER AND MISS DOWD

MARCH 14—MRS. C. M. BUSBEE

Calais, Dover, Canterbury, London and some of its famous buildings.

“ I have seen the greatest wonder which the world can show to the astonished spirit. I have seen it, and am still astonished,—forever will there remain fixed indelibly on my memory the stone forest of houses, amid which flows the rushing stream of faces of living men with all their varied passions, and all their terrible impulses of love, of hunger, and of hatred,—I mean London.”—*Heine*.

MRS. KENAN, MRS. SMITH

MARCH 28—MISS DOWD

Art of London.

“ A man who can not spare time for a daily country walk, may well slip into the National Gallery or other collection of pictures. That garden flowers as gaily in winter as in summer. Those noble faces on the wall are never disfigured by grief or passion. There in the space of a single room the townsman may take a walk beneath mountain peaks, through green meadows, and by rushing brooks, where he lingers till he almost seems to hear the ripple of the stream and to see the fishes leap.”—*Charles Kingsley*.

MRS. LEWIS, MRS. MCBEE

APRIL 11—MRS. HINSDALE

North by the Cathedral Route, Cambridge, Ely, Lincoln, York, Fountains Abbey, Durham.

“ Full many a bard hath sung the solemn gloom  
Of the long Gothic aisle and stone-ribbed roof  
O'er canopied shrine and gorgeous tomb,  
Carved screen and altar glimmering far aloof  
And bending with the shade,—a matchless proof of high devotion.”

MRS. CHESHIRE, MISS SHIPP.

APRIL 25—MRS. JOHNSON

Melrose, Abbotsford, Dryburgh and general description of Edinburgh.

“ If thou wouldst view fair Melrose aright,  
Go visit it by pale moonlight.  
When buttress and buttress alternately  
Seem framed of iron and ebony,  
Then view St. David's ruined pile,  
And home returning soothly swear  
Was never scene so sad, so fair.”—*Scott*.

MRS. F. H. BUSBEE, MRS. CAMERON

MAY 9—MRS. HERBERT JACKSON

Holyrood Palace, the Castle, and Edinburgh as a literary centre.

“ Edina ! Scotia's darling seat,  
All hail thy palaces and towers  
Where once beneath a monarch's feet  
Sat legislation's sovereign powers;  
Here wealth still swells the golden tide  
As busy trade his labour plies,  
There architecture's noble pride  
Bids elegance and splendor rise.”—*Burns*

MRS. KNOX AND MRS. PITTENGER

MAY 23—MRS. CHESHIRE

Lochs, Trossachs, Glasgow, Ayr, English Lakes.

“ Where the rude Trossachs dread defile  
Opens on Katrine's lake and isle.”—*Scott*.

MRS. CAMERON, MISS BAILEY

JUNE 6—MRS. KENAN

Chester, Warwick, Kenilworth, Stratford.

“ What needs my Shakespeare for his honored bones,  
Or that his hallowed relics should be hid  
Under a starry pointing pyramid?  
Dear son of memory, heir of fame,  
Thou in our wonder and astonishment,  
Hast built thyself a life long monument,  
And so sepulchred in such pomp dost lie  
That kings for such a tomb would wish to die.”—*Milton*.

MRS. ANDREWS, MRS. JOHNSON

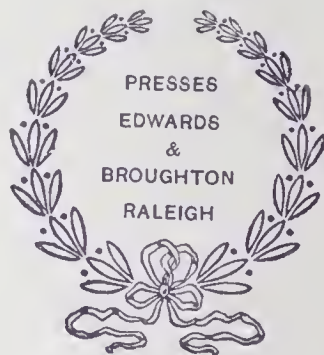

JUNE 20—MRS. KNOX

Oxford.

“ Ye distant spires, ye antique towers,  
Where grateful science still adores, \* \* \*  
And ye that from the stately brow  
Of Windsor's heights the expanse below  
Of grove, of lawn, of mead survey,  
Whose turf, whose shade, whose flowers among  
Wanders the hoary Thames along  
His silver winding way.”

MRS. McBEE, MISS SHIPP
